Professional Service Industries, Inc. (PSI) has performed testing on the referenced project. The results of our tests are presented in the accompanying report.

On December 12, 2008, Professional Service Industries, Inc. (PSI) received twenty-five (25) Goggles, identified as, Model GB 008, from Zhejiang Jinhua Shaolin Tools Factory. On December 15, 2008, PSI tested these Goggles in general accordance with the ANSI Z87.1-2003 specification.

Our services for this project were performed in accordance with PSI Proposal No. 823-7066, dated January 9, 2007. The proposal included a proposed scope of services, estimated costs, unit rates, and PSI's General Conditions. Authorization to perform this project was in the form of signed acceptance of the aforementioned proposal, acknowledged March 25, 2008.

PSI has not conducted flammability testing per ANSI Z87.1-2003, Paragraph 8.6. Conformance of the product to the standard is contingent upon documentation of the compliance of resins to ASTM D635-97.

The results contained in this report are related only to the item(s) tested. The pages of this report (including attachments) shall not be reproduced, except in full, without written approval of PSI. All testing was conducted by and under the continuous, direct supervision of Professional Service Industries, Inc.

Final Conclusion: The Zhejiang Jinhua Shaolin Tools Factory Model GB 008 Does Comply with the ANSI Z87.1-2003 specification with the exception of Paragraph 8.6 as stated above.

Respectfully submitted,

Professional Service Industries, Inc.
